Shetland Partnership Summit 2016

- Development Process (since August 2015)
 - Workshops with Thematic Groups and wide range of partners
- Aim
 - To develop a consistent, focused Improvement Plan delivering the outcomes of the Community Plan 2013-20; building on the progress already made and working in partnership to address inequalities
- Today:
 - Short presentations – what priorities have been identified and why
 - 5 x 5 minutes
 - Workshops - Quality Assurance; Buy-in; Ownership

Outcome B (Outcomes B and C combined)

Shetland Partnership Summit – February 2016

We live longer healthier lives and people are supported to be active and independent throughout adulthood and in older age

Source: Dahlgren and Whitehead, 1991

Increase physical activity amongst those least active

- We encourage and enable the inactive to be more active
- We encourage and enable the active to stay active throughout life
- We improve our active infrastructure by supporting people and places, for example footpaths, indoor and outdoor facilities (e.g. leisure centres) and volunteering.
- Build on locality- based working to support for physical activity for people who need it most. e.g Sports Hubs

Improve mental health & resilience

- We will support wellbeing and resilience in communities through physical activity and sport.
- We will support individuals to be part of their community, to reduce loneliness and increase community connectedness.
- Develop self-management capacity and resources within the community.

Outcome C

“Shetland stays a safe place to live and we have strong, resilient and supportive communities”

Shetland Partnership Summit February 2016

Priorities and Actions

Keeping People Safe

- Undertake a review of the Domestic Abuse Partnership and its associated sub-groups to ensure that preventing gender based violence is resourced and supported jointly across the partnership
- Carry out an analysis to understand the increase in reported domestic abuse incidents and the drivers behind this for comparison against national rate
- Deliver the Shetland Anti-Bullying Strategy, including the development of information and training on prejudice-based bullying

Reduce the harm caused by alcohol

- Reduce the harm caused by alcohol through the delivery of the Shetland Alcohol and Drugs Partnership strategic plan
- Refresh and deliver Drink Better Strategy and action plan
- Review SADP input into Licensing decisions in Shetland
- Work with licensees, supporting and empowering them to refuse alcohol to drunk customers
- Peer Education with Young people

Priorities and Actions

Improve outcomes for those at risk of offending or reoffending, victims, families and communities	<ul style="list-style-type: none">• Deliver the Community Justice Transitional Plan• Support the campaign to reduce stigma in communities, developing community-based solutions in relation to Community Justice and recovery of victims and people who have been convicted of offences and their families
Build community resilience	<ul style="list-style-type: none">• Develop two community resilience plans as a pilot (linking with Community Forum / Localities work)• Carry out analysis of unintentional harm data (deaths, emergency hospital admissions, SFRS data, water safety incidents and, if available, A&E attendance data) to develop our understanding of this in Shetland and to link with the Building Safer Communities Programme

OUTCOME D: WEALTHIER AND FAIRER

Shetland has sustainable economic growth with good employment opportunities and our people have the skills to match, good places to stay and the transport people and businesses need
