

Area Proposal - Scalloway CPPSC1

Key facts
 Number of routes: 1
 Total distance: 10km
 Total population: 812

CPPSC1: Burwick
 Difficulty: moderate to challenging
 Surface: gravel track, heather and grass
 Attraction: Archaeology, birds and scenery
 Designations: NSA

Scalloway is fortunate to have many flat streets in the village for people to benefit from already. Burwick Core Path route leaves from the village and caters for fishing, birdwatching and people looking for beautiful scenery. It is varied underfoot and Burwick itself has many points of local and archaeological interest.
