Thanks for telling us what you think of our PB Voting Event. If you have any further comments please write on this sheet.

I'm having a good time	The day is well organised	All the projects seem beneficial to the area	Everyone is taking part	I'd asked for something in advance and it's here	I feel like I'm having a real say in what will happen where I live
I feel this opportunity is good for my neighbourhood	I think everything is being done fairly	I think this is a good way to get people involved in my area	I would like to be involved in a Voting Day again	I like the food	I like the venue
This has given me better understanding of the difficulties of managing a public budget	This has given me more confidence in my community	I've changed my vote after the presentations	The voting is easy to understand	I would recommend this process to others	My kids are being well looked after
I might do this again if given the chance	Some of the projects are vague	Some of the projects wouldn't benefit the area	I already knew what I would vote for beforehand	I might recommend this to others	I'm confused!
The projects could be better or are disappointing	The group isn't representative of my neighbourhood	I'm worried the projects won't do enough	Everything seems to take ages	Unsatisfied with the facilities/food	I feel a bit bored
I'd asked for something in advance and it isn't here	I don't think that the process is fair	I found the voting process overly complicated	I wouldn't do this again	I'm not getting a chance to speak	This seems like a waste of time
I wanted the presentations to be longer	I wanted the presentations to be shorter	I wouldn't recommend this	The event is badly organised	I'm not having a good time	I want to leave
