

# THE FLASH

There was once a fluffy little chicken, named Roger. The reason he was here was he was looking for his hula hoop. He accidentally jumped onto a raft and... went right into the middle of the sea! He bashed into a lot of rocks which were sticking out of the sea. His raft exploded into loads of tiny pieces. How would he get home? He explored the rocks until he found a 100 year old lighthouse! And... He thought it was his chicken coop... He ran inside. THERE WAS A HUGE **FLASH!!!** He was now a HUMAN...

*'AAAAAAAAAAAAHHHHHHHH, what just HAPPENED!?!'* Thought Roger. Roger walks around and then thinks *'I HAVE LONG LEGS!' 'I HAVE LONG ARMS!' 'AND... WHERE IS MY FEATHERS!!! ?' 'I ALSO LOOK LIKE THAT CREATURES THAT FEED ME!?' Roger then realises that he is now a human! 'I AM A HUMAN!!!' 'I should so tell my friends about this and show them this cool house!'*  
Thought Roger (AGAIN)

Roger finds a phone (In case you're wondering, Roger has seen his owner use a phone) and remembers... chickens... don't... have... phones... "And what was I thinking!?! I don't even know there phone numbers!" Said Roger.

It has been 2 days and Roger realises that he might have to live there, in the lighthouse, if he can't swim... Even worse... HE CAN'T ESCAPE!!! "I'm hungry. I need to go to the bathroom. I'm hungry." Then, Roger forgot that he had a HUMAN BRAIN! He thinks that if he could figure out how to control the lighthouse he could send a signal to people with boats. Even BETTER. Rescue Boats...

"Ooh. Look at this red button let me press it..."

'NEEEEEEEEEEOOOOOOOOOOO

NNNNNNNNNNEEEEEEEEEEOOOOOOOOOOO!!!' "Oops wrong one. What about this green button...?" "Hooooooooooooonk.

Hooooooooooooonk. Flash. Flash. "It worked!

YAAHHOOOOOOOO!!!" Roger is jumping up and down, spinning around. Everywhere!

"It has been an hour and I see a lot of lights... hmm... (GASPS) Its people here to save me!"

Roger starts yelling 'OVER HERE, OVER HERE! *'Huh, who would have thought it? A lighthouse ACTUALLY saved me today!'* looking at the lighthouse. "Thank you." Said Roger, like the lighthouse would answer back.

"Hey pal! My name is Shona. Just hold onto this and I'll pull you over... Okay... Slowly goes it..." Said the crewman. "Okay. I'm on

now" Said Roger, very excited to get home. "Are you hungry? Here is a plate FULL of sandwiches, mate! "THANKS!" Screamed Roger. "Let's GO!" Said Shona.

The whizz of the rescue boats was BOOMING loud! You could barely hear anyone speaking.

It was three hours later and Roger gets to his island, Shetland, and he is very ecstatic.

"Hey Shona, do you want to head over to my place?" Asked Roger.

"Sure!" "Umm Roger, I have a question. Tell me one fact about yourself."

"Okay... OOH! I have one. I used to be a chicken!" Said Roger (Being Serious).

"Ha! Nice one!"

"It's true."

"Oh..." Shona was silent for about five minutes and then Roger finally said- "This is awkward..."

That afternoon, Roger and Shona became best friends.
