Agenda Item	Narrative	Action & Owner
Introduction	Chair explained to all present that this was a special meeting with one item on the agenda which was to consider applications to the SCBF fund which had been deferred from April meeting and May meeting lacked a quorum	
Consideration of SCBF Applicationbs	<p>There were 2 applications to consider:</p> <p>The first was from the Shetland Netball Association. This was to enable the players from around Shetland to travel away to an event. Amounts requested from each Community Council were proportionate to the number of players in each area. The amount requested from NCC was £200 which was approved by all members present.</p> <p>The second application was from Shetland Bus Friendship Society and was to make repairs to the historic slip at Scalloway. Members had a brief discussion and, although it was noted that there was no direct benefit to people in Northmavine, it was agreed that the project was of historic importance to all of Shetland. Ultimately, all members present approved the £300 requested.</p> <p>This concluded business and the meeting ended</p>	Action: Clerk to complete feedback forms and return to SCBF Admin

The meeting ended at: 19:50

This minute is DRAFT till approved by the Council at the next meeting.
